Failure to embrace Dalits brought all-round misery to Muslims

V.T. RAJSHEKAR

Speech delivered at the Discover Islam Trust (DIET) conference to promote Dalit-Muslim unity to fight the common Brahminical enemy, in Bangalore on Jan.30, 2010. Umar Sheriff, President of DIET, presided

Assalam Alekhum,

I have been given too big a subject and also too "controversial" on which there is too much of ignorance and misunderstanding. This is the first prominent Muslim organisation arranging a talk on such a subject of national importance. I really wonder why the Muslim leadership has not spared a thought on such a crucial issue.

MONGOOSE & SERPENT

A Bangladeshi Muslim professor in a London University, Dr. Momin Chaudhary, in his book, *Budhism in South Asia*, says the Aryans, meaning Brahmins, met with stiff resistance from the original inhabitants of India, namely Dalits. Budha supported India's original inhabitants to fight the invading Brahmins. For over 1,000 years Budhism ruled India. This was the "golden period" of Indian history. When the Brahmins failed to defeat Budhism, they infiltrated it. Some became Budhists and fought from within. Kerala's notorious Adi Shankara and his Brahmin army fought our people, massacring the Budhists, destroying their religious places, libraries and historical monuments.

The wholesale massacre of Budhism proves that Hinduism is the world's most violent religion. Who says Hinduism stands for non-violence? Bullshit? Read this book, *Violence*

in Hinduism, (DSA-1986) by Prof. K.S. Bhagvan of Mysore University.

When Buddhism was finally destroyed within India, Buddhists fled to China and other South East Asian countries which became Buddhist en bloc.

Buddhists, who failed to defeat Brahmins, then got converted to Islam and again fought the same Brahmins. Such a centuries-old rivalry between Brahminism and Dalits will continue until we kill the venomous cobra and liberate India.

The Muslims of Bihar and those from undivided Bengal, which includes Bangladesh, were all originally Dalits. And sworn enemies of Brahminism

My point is the Dalits and Brahmins have been like mongoose and serpent. The two are blood enemies. Read our book, *Hindu Serpent Vs. Muslim Mongoose* (DSA-2007).

GANDHI'S TREACHERY

Dr. B.R. Ambedkar, the Father of India, throughout his life fought only Brahmins. He never fought Muslims. No. He loved Muslims. In fact Jinnah, the president of the Muslim League, and Dr. Ambedkar were close friends and together fought the Brahmins. These are all documented historical facts.

I will cite one shocking incident just on the eve of the 2nd Round Table Conference in London. The Indian Muslim delegation headed by the Agha Khan was staying in a hotel. Late in the night M.K. Gandhi, the cunning Gujarati Bania, came unannounced to meet the delegation to the utter shock of the Muslims. Throughout his life Gandhi fought only the Muslims and Dalits.

BLOOD BROTHERS

Gandhi asked the Agha Khan to do a favour. He said he would support the Muslims' 14-point demand if only they opposed Dr. Ambedkar's demand for separate electorate for Dalits. He then dramatically brought out a copy of the *Quran* hidden under his clothes and asked the Agha Khan to give a promise on the *Quran*. The Agha Khan said they were Muslims and had already given the promise to support Dr. Ambedkar. They can't go back on the promise. Gandhi returned disappointed. This incident is well documented. Look at the hate in the Hindu heart.

This one famous example must convince you that historically Muslims and Dalits were always together. Because they are blood brothers. *Mool Bharatis. (cheers)*

You are mostly converts from our community. Muslims of India, except a small 10% or so, did not come from Persia, Afghanistan or Iran.

You are flesh of our flesh, blood of our blood. Did you hear me? (*more cheers*).

Yet another example from history.

MUSLIMS ELECTED DR. AMBEDKAR TO RAJYA SABHA

Dr. Ambedkar, when he was defeated in the first Lok Sabha election, was elected to the Rajya Sabha by the Muslims of Bengal.

Why? Because the Muslims of those days knew that we two were blood brothers and sisters.

But today's Muslim leadership has forgotten all these historical facts — though the common Muslims and Dalits live together, eat beef together and suffer together. Both have the same common enemy — Brahminism.

I am just returning from Calcutta where I addressed a huge Dalit-Muslim unity conference. It was the Muslims of Bengal who took the initiative to organise such a conference. Dalit-Muslim unity is strong in Bengal though the *manuwadi* marxists are doing their best to destroy this unity.

IDENTIFYING THE ENEMY

Both Jinnah and Allama Iqbal had said the "Brahmin is the common enemy of Muslims". I have seen any number of books on this subject in the huge Allama Iqbal Library at Lahore when I led a Dalit delegation to Pakistan last year.

Every year Pakistan observes Dr. Ambedkar Jayanti in a big way and invites me as the chief guest. But, alas, India's Muslim leadership has forgotten Dr. Ambedkar. For committing this historical blunder, today's innocent Muslims are paying the price.

MOUDUDI REJECTED

Moulana Maududi, the great founder of the Jamate-Islami, has identified Brahminism as the enemy of India and Muslims in particular. His book, *Al Jihad Fil Islam*, says this.

But the Jamate-Islami, India, rejected Moududi and refused to identify Brahminism as the enemy of Muslims. Jamate-Islami is more interested in unity with Brahmins — and not with Dalits. However, the Muslims all over the world respect Moududi.

STOP THIS "HINDU-MUSLIM UNITY" BUSINESS

Such a contradiction between the Muslim leaders and the Muslim masses is the cause of today's crisis.

India's Muslim leadership created this problem after the

so-called "independence" which made the 15% Brahminical people as rulers. And we Dalits (20%) and Muslims (15%) were made slaves.

This business of Hindu-Muslim unity, therefore, must stop. Oil and water can never mix. The greatest mistake of the Muslims is that they think Dalits are Hindu — just because they have Hindu names, visit Hindu temples.

No. Dalits are not Hindu and were never Hindu.

The Muslim leadership, both religious and political, wants Hindu-Muslim unity.

Which means this leadership is going not only against history but also against the very directions of the *Quran* which has clearly asked the Muslims to identify the enemy and fight it.

QURAN IDENTIFIES THE ENEMY

Al-Mumtahlinah, *surah* 60, Verse 1. I am reading the explanation of this *surah* given by the world's best translator, Abdullah Yusuf Ali: This *surah* says:

You cannot be on terms of secret-intimacy with the enemies of your faith and people who are persecuting your faith and seeking to destroy your faith and you.

Who staged the killing of Muslims in thousands? It is the RSS-BJP Brahminical enemies.

That means the *Quran* has identified the enemy. But you by-heart the *Quran* like parrot but do not follow its dictates. (Read our book, *Curse of Allah*, DSA-1997).

Allah has punished you for not following his dictates.

For heavens sake stop this Hindu-Muslim unity business. What is possible is Dalit-Muslim unity. DIET must take up this work. We will support you. (*loud cheers*).

MUSLIMS CALLED TERRORIST

The elite Muslim fear is that if they join hands with Dalits they too would be reduced to the level of Dalits and Brahmins would hate them much more. As if the Muslims are not hated today.

MUSLIMS NOT GETTING ANGRY

The Muslims are already facing the worst persecution. Perhaps the worst in the world. There is no further space to sink. No govt. job or private job. You are forced to resort to lot of corruption which is against Islam. Driven to poverty, unemployment. In places like Delhi, Calcutta you are suffocated to death. And on the top of it all the Muslims are called "terrorist". You are called a Pakistani agent. What more punishment you need?

Elite Muslims have Brahmin accountants, lawyers, customers. They send their children to convents, live in Hindu localities: Yet they are suspected, hated. Why?

Still the Muslim leaders want unity only with the Brahmins who continue to hate you. But Dalits love you, suffer with you. They are your blood brothers. But you don't want to join us.

Over 15,000 Muslim youths are today rotting in jails for years. It may be more.

Yet, the Muslims are not getting angry. Why?

Islam is the world's most revolutionary religion. But the Indian Muslims have ceased to be revolutionary. You are not even getting angry.

DALITS DEMOLISHED BABRI MASJID

It is true the Dalits demolished the Babri Masjid. I admit this. It is also true that they killed 2,500 Muslims in Gujarat. We know it.

I rushed to Ahmedabad and made inquiries with both Muslims and Dalits who live side by side in Old Ahmedabad. How could those living in amity for hundreds of years fight and kill each other? It is the Brahminical game that made brothers fight brothers.

MODI IS CREATION OF BRAHMINS

The Patels, Baniyas, Brahmins have been cultivating Dalits and feeding the hungry dogs. One fine morning they let loose the same dogs to attack and kill the Muslims. The Monster Modi of Gujarat is the creation of the Brahminical conspiracy.

The Dalits of Ahmedabad told me they never killed Muslims out of hatred.

If the Muslims pay the poor Dalits they too will kill the Brahminical people. If poor Muslims are paid they too will kill anybody. (*cheers*)

URDU CALLED HINDI

Why the Muslims can't understand this much? Why don't you cultivate, befriend the Dalits? They are your natural, historical blood brothers. The Dalits are willing. The hungry dog loves the person who throws a biscuit. If you don't, then the enemy will make more Dalits attack you.

Please note Brahmins and other upper castes hate Dalits much more than they hate Muslims.

I have seen many lavish *iftar* parties attended by Brahmins who nicely hog the *Biryani* sitting with you. But the same Hindus will not eat with us.

Brahmins don't hate Muslims as much as they hate Dalits. The problem is the Muslims do not know this.

Actually, the Brahmins are using Muslims to *hinduise* the

Dalits so that the country's mere 15% Hindu population goes up. The Backward Castes have already been made Hindu. Without the Dalit support, the enemy cannot call India "Hindu".

But alas the Muslims do not understand all this. Or perhaps they don't want to know all this. Your *madrassa* education did not teach you the Indian social system — caste, communities, tribes etc.

You do not even know that the Muslim language of Urdu is called Hindi. Even such a simple mischief, you could not see through. (*cheers*)

"HINDU" NAME GIVEN BY MUSLIMS

Brahmins call our people (Dalit) Hindu. Because they derive lot of profit from calling us Hindu. But what profit you get by calling the non-Hindu (if not anti-Hindu) Dalit as Hindu? Not only you have insulted us by calling us Hindu but your ignorance has helped the enemy to prepare a dedicated army to attack you, to kill you.

Dalits are not Hindu and never Hindu. The name "Hindu" was given by the invading Muslims to identify those living in India.

BRAINLESS DOG & LIFELESS STONE

Even a dumb animal like the humble dog does not chase the stone thrown by a passerby. It will rather bark and may even attack the man throwing the stone.

But Muslims, who are part and parcel of our society, find fault with the stone — but not the thrower of the stone. Muslims not only find fault with those throwing the stone but even attack them.

Brahminical brainwashing has left the Muslims so unthinking — even worse than the brainless dog.

When will the Muslims realise that the lifeless stone is not the culprit but the one who threw it? Does it mean that the revolutionary message of the *Quran* has had no effect on the Muslim leadership?

W. ASIAN MUSLIMS HAVE IDENTIFIED THE ENEMY

The West Asian Muslims have identified their enemy: the Zionist Jew.

Why in India, which has the world's largest Muslim population, the Muslims have failed to **identify** their enemy? Something has gone wrong with the Muslims here.

This is because you are not guided by the facts of history. Your respected leaders like Allama Iqbal, Jinnah, Moududi etc. are hated by the Brahminical media.

The Indian Muslim failure to identify the enemy and your blood brothers has converted India into a bloody battlefield in which not only Muslims, Dalits, BCs and others are suffering. The country itself is burning.

ALLAH WILL NOT HELP YOU

You have failed in your duty. I am sorry to say all this right on your face.

Let us see what the *Quran* says:

Al-Rad, Surah 13, verse 11 says Allah will not change your conditions.

REJECT HINDU-MUSLIM UNITY

You have to change it yourself. You are your own architect.

Al-Rad, Surah 13, Verse 11:

.... verily never will Allah change the condition of a people until

they change it themselves.

This is perhaps the most important commandment in the *Quran* which clearly says that Allah will not alter your condition.

No religious scripture has such a clear commandment.

PERIYAR E.V.R. ASKS DALITS TO EMBRACE ISLAM

That is why Islam stands out as the most revolutionary religion which says your salvation lies in your own hands. The god will not alter your condition.

But what do the Indian Muslims think? They think Allah will save them. No.

The explanation to this Verse says if in spite of Allah's warning you distort your own will and go against it, Allah will punish you.

It is very simple.

The Muslim salvation lies in Dalit-Muslim unity. Not Hindu-Muslim unity. The Muslims can change the current condition of extreme sorrow only by joining hands with us.

YOU CAN'T LOVE YOUR ENEMY

Not only you can change your condition but our (Dalit) condition also. It is very simple. (*cheers*)

Periyar E.V. Ramaswamy, who is rated next only to Dr. Ambedkar, has asked the Dalits and Backward Castes to get converted to Islam to get rid of their slavery. (*Salvation to Shudra Slavery*, DSA-1986).

M.N. Roy, a Bengali Brahmin and founder of the Indian Communist Party, has written a book saying Islam alone has the capacity to kill Brahminism. (*Historical Role of Islam*, Ajanta Publications, Delhi, 1981)

But your leadership is misleading you saying that the *Quran* has asked the Muslims not to criticise any religion. Is this true?

Did the *Quran* say so?

FIGHTING IN SELF-DEFENCE

Al-Mumtahinah. *Surah* 60, Verse 1:

Take not my enemies
And yours as friends
(Or protectors) - offering
them your love...

The explanation of this *Surah* says: You cannot be on terms of secret intimacy with the enemy of your faith and people who are persecuting your faith and seeking to destroy your faith and you.

The verse is so clear and yet the Muslim leadership loves the Brahminical enemies much more than it loves the Dalit — blood brothers.

Did Allah ask you to love the enemy? No.

The *Quran* is so comprehensive, it is like a multi-vitamin capsule.

ELITE MUSLIMS DECEIVED MASSES

Fighting in self-defence is sanctioned (p.832).

Al-Hajj, Verse -39.

To those against whom
War is made, permission
Is given (to fight), because They are wronged — verily Allah is
most Powerful
For their aid

The explanation to this (*Surah* 39) says fighting in self defence is fully sanctioned.

The Muslims cannot remain as cowards. Because Allah

has asked you to fight in self-defence and finish the enemy. But did you fight?

No. You simply died in thousands like flies that go round a burning lamp and fall dead. (*cheers*)

The Muslims did not **RESIST** the enemy despite the Quran fully sanctioning resistance (*Jihad*).

I have to apologise that a non-Muslim has to come before a Muslim audience and remind you of your duties to Allah.

Did you fulfil your duties? I am sorry to say, you have not.

You have no courage to fight back because, the elite Muslims are misleading you on one side and on the other you did not befriend your own blood brothers who would have willingly joined you and fought against your and our common Brahminical enemy.

The Muslims of India have committed a grave error. And I can even say you have gone against the *Quran* and Allah. That is why you are suffering today.

DUTY TOWARDS MUSTADAFEEN

What is most important from the Muslim point of view is your duty to the oppressed.

All-Nisa, Surah 4-75:

And why should ye not
Fight in the cause of Allah
And those who being weak
All ill-treated (and oppressed)? Man, woman and children,
whose cry is: "Our Lord! Rescue us from this town, Whose
people are oppressors; And raise for us from Thee
One who will protect:
And raise for us from Thee One who will help

The explanation to this *surah* says:

"Even from the human point of view the cause of Allah is the cause of justice, the cause of the oppressed".

In other words fighting for the oppressed, meaning the Dalits, is the cause of Allah.

Under the Indian conditions nobody is more oppressed here than the Dalits who form over 20% of our population.

Muslims of India all know this. But did you fight for us? No. In the explanation to the *Surah 4 (al-Nisa) Verse 75*, Abdullah Yusuf Ali uses the Arabic word *Mustadafeen*, the English translation of which is "one reckoned weak and, therefore, ill-treated and oppressed".

SERIOUS MISTAKES OF RELIGIOUS LEADERS

Under the Indian conditions the *Mustadafeen* are none but the Dalits.

No Muslim scholar has disputed this. Muslims of India also know that the *Mustadafeen* mentioned in the Quran are the Dalits of India.

But your religious leaders while teaching the *Quran* did not use the word Dalits to mean *Mustadafeen*. Why they failed? What may be the reason for this grave lapse?

This mistake must be immediately corrected and all *madrasas* and religious scholars must say that *Mustadafeen* means Dalits. (*cheers*)

PROPHET DID IT WITH BILAL

If you accept that the Dalits of India are the worst oppressed, did you make them the "custodians" and "leaders of your faith?" No.

Prophet Mohammed did it with the Black slave, Bilal, and he got a glorious place under Islam.

Did the Muslims of India love the Dalits, invite us into your faith — let alone making us the "custodian" and "leader"

of your faith? And establish a firm place to Dalits in India?
No.

MUSLIMS THEMSELVES BECAME DALITS

Because of your failure to obey the dictates of the Quran, you have suffered and hence paying the price for your violation. That is how Muslims of India have themselves got degraded and become another set of oppressed Dalits.

Am I right?

MUSTADAFEEN NOT IDENTIFIED

We are sorry to say the Indian Muslims have not even identified the Indian *Mustadafeen* who are none other than the Dalits. What a tragedy. The Indian Muslims have neither identified their enemies nor their friends.

On p.960 and 961, Surah 28, *Al-Qasas*-Verse 5, the Muslim is told to protect the weak and "make them custodians" and "leaders of your faith".

CONVERSION STOPPED

This particular verse asks the Muslims to embrace Dalits, make them the leaders of your faith.

... be

Gracious to those who were

Being oppressed on the land. To make them leaders (in faith)

And make them heirs.

Verse 6:

To establish a firm place for them in the land.

MUSLIMS THINK DALITS ARE HINDU

Did you invite us to your house? Did you attract Dalits to your faith? No. You have completely stopped the conversion work itself.

Islam liberated the Blacks in Africa and USA and many other places. In India also, its 20% Muslims are none but those who were once Dalits and BCs. What happened to you today? After "independence" you have become silent. Shocked ?

HINDU-MUSLIM UNITY NOT POSSIBLE

The greatest mistake of the Muslim leadership is it thinks the Dalits are Hindu. But we are not only not Hindu and never Hindu but enemy No.1 of the Hindu. But you don't know this fact of history. (*cheers*)

Hindu-Muslim unity is not possible. And not wanted also. What is possible and absolutely essential is Dalit-Muslim unity — to liberate India from Brahminism. Hindu-Muslim unity is dangerous to both of us, but advantageous to Brahminists. Dalit-Muslim unity will kill Brahminism. (*loud cheers*)

"JEWS OF INDIA"

Brahmins are the "Jews of India". This theory of the *Dalit Voice* has been accepted by the Brahminical people themselves. *Dalit Voice* has produced enormous evidence to prove that the Aryan Brahmins are the "Jews of India".

CONCLUSION

The Brahminists are exploiting the Muslim alienation from Dalits to *hinduise* the non-Hindu, if not anti-Hindu, Dalits.

Hinduisation of Dalits means our further enslavement. It also means enriching the Hindu population so that the Brahminical leadership is strengthened.

A FINAL WARNING

Unfortunately, Muslims are not realising this danger.

There is an urgent need to include all these subjects in

the *madrassa* education system by introducing the subject of caste, tribes and communities. Social science.

Muslims can't fight their principal enemy (Brahminism) unless and until they fight and eliminate their internal enemies who are more dangerous than the external enemies.

External enemies are visible — Brahminists. The internal enemies are within you, going round as devout Muslims — with long beard and flowing coat.

ISLAM AS FASTEST GROWING RELIGION

Dalit liberation should have been your top-most priority. I have met all the top Muslim religious leaders. All of them know me. Moulana Ali Miyan was our good old friend. He was the only exception. He wanted to join us but he died early.

Islam is the world's fastest growing religion. Europe and UK in particular will go Islam. It is growing in India also. Read Dr. Bhimappa's book, *Islamisation of India. (India on the Path of Islamisation, 2006, pp.130, photocopy available with DV, Rs. 100)*. But if the Muslims want to live with self-respect, they must first obey the dictates of Quran. Our literature is kept outside. Please read it.

Your organisation (DIET) must work for Dalit-Muslim unity and we can tell you that you can make miracles. Create history. We will be with you. Insha Allah ■

***Mustadafeen* — a wonder weapon for Dalit-Muslim unity**

V.T. RAJSHEKAR

1. The concept of *Mustadafeen* is a powerful slogan to unite the Muslims and Dalits as it prominently figures in the *Quran* and gives a divine direction to the Muslims to embrace the Dalits and work for their liberation.
2. The Indian subcontinent (India, Pakistan, Kashmir, Bangladesh and even Lanka and Nepal) is packed with Dalits, its original inhabitants. The Muslims ruled over this land for over 800 years and with a missionary zeal they liberated the slaves who embraced Islam in a big way. One slave even occupied the throne of Delhi.

KILLING WITH KINDNESS

3. In today's India, the Muslim percentage is about 20% but in the undivided India it was as high as 50%. The Brahminical people (the "Jews of India") engineered partition only to get rid of the Muslim population and drive them into Pakistan and Bangladesh so that the Dalit-Muslim unity is destroyed. Despite the partition India continues to have the world's largest Muslim population.
4. As the Indian Muslims have almost forgotten the concept of *Mustadafeen*, they have suffered and paid a heavy price by themselves becoming *Mustadafeen*.
5. Hence the need to revive the revolutionary concept of *Mustadafeen* to awaken the Muslims of all vivisected parts of the Indian subcontinent so that they embrace the Dalits, the worst victims of Brahminism, and make the Muslims fight their common oppressors.
6. *Mustadafeen* is, therefore, a powerful concept and slogan to unite all the oppressed. To awaken the Muslims, Dalits and other oppressed we have to educate them through print media to begin with and then later by a satellite TV like *Al-Jazeera*.
7. The Dalits are the world's worst oppressed people before which the South African Apartheid pales into insignificance. Lot of media attention is today being focused on the Palestinian oppression because the Zionist enemy is honest. Because it has never hidden its hatred of the Palestinians. But India's Brahminical oppressors (the "Jews of India") are dishonest. They use the cunning gandhian technique of killing the Dalits with "kindness". They "non-violently" kill the Dalits using the slow

poison of gandhism and their fraudulent *ahimsa*.

8. This Hindu humbug must be exposed to the outside world. This is the foremost duty conferred upon every Muslim by the *Quran*. Unless Justice and Peace are restored in the subcontinent, no progress is possible. And we will continue to live a life of permanent war and violence. ■

Muslims & Mustadafeen — Failure to follow Dictates of Quran, DSA-2003, Rs.5 ■

ISLAM & REVOLUTION

Dr. Kaukab Siddique

Editor, *New Trend*, A Pakistani Muslim living in USA

Abul Ala Maudoodi says Islam stands for revolution to radically reconstitute the society. *Jihad*, sanctioned in Quran, means revolutionary struggle. But both in India and Pakistan Islamists do not fight against basic sources of inequality. Poverty is caused by the rich who withhold the rights of the poor. Bangladesh faces starvation not because of overpopulation but the elite few control all the resources — 31% of the land is owned by 7%. That is how the struggling people of the third world could not get inspiration from Islam. An exploiter cannot be a Muslim. Quran declares war on usurious money-lenders. One who is starving has the right to armed struggle. Exploiters have taken hold of Islam. That is why they stress only the rituals but silent on revolution against injustice, exploitation. They talk only the "hereafter" but not their duties on this earth. Islam abhors gradualism and reformism. Capitalists becoming "honest" by paying *zakat* is not Islam. Islam equated faith and virtue with liberation. The downtrodden *Mustadafeen*, who in India conditions are none but the Dalits. Are the Muslims of India working for the liberation of *Mustadafeen*? That is how the Muslims have themselves become oppressors. There is no priesthood under Islam. Allah is not to be approached through a priest. That is how the rich and the powerful have subverted the *Quran*. That is why the Prophet passed on from preaching to armed struggle (*jihad*) and liberated the oppressed.
