## FOREWORD

### India in the grip of Brahminical counter-revolution

*Innocent foreigners like Brother Mleccha — sincere supporters of our struggle for self-determination — come out with solid historical facts about Dalit history. They think that like other oppressed peoples of the world overcoming their slavery, the Indian Dalits too have a bright future. Very flattering account. But we alone in India, engaged in a life and death battle against the world's most dangerous enemy oppressor, know how hard it is.*

#### **DALITS FULLY HINDUISED**

*A revolutionary atmosphere must precede a revolution. We have no such revolutionary atmosphere here. However, we see plenty of counter-revolutionary fervour gripping Dalits.*

*The most dangerous trend is Dalits — who are not Hindu and were never Hindu, as declared by the Father of India, Dr. Ambedkar — are fast becoming Hindu, meaning slaves of Brahmins. Educated Dalits are even excelling Brahmins, the founders of Hinduism, in professing and propagating the poisonous Hinduism.*

#### **MUSLIMS BECOME A DEAD COMMUNITY**

*Indian Muslims, the world's largest religious group, have become a dead community. Islam, a revolutionary religion, is reduced to rituals, **Dargha** worship, reserving a*

---

seat in heaven - forgetting the essential duties on the earth.

Brahminical forces are effectively using the Dalits to kill their Muslim blood brothers. This is the direct result of **hinduisation** of Dalits which is going on at jet speed.

Dr. Ambedkar, the Father of India, is forgotten. The enemy has brainwashed every Dalit that the short-cut to their emancipation is "political power" or money power. And the entire Dalit youth is desperately after these two elusive powers which have pushed them into all sorts of corrupt practices.

### **BUDHISM AS OPIUM**

The urban-based educated and employed Dalits (5%), who should have fought on behalf of their 95% dirt poor rural brothers and led the torch of revolt, have forgotten all that Dr. Ambedkar said. Most of them have become better Hindus (counter-revolutionaries) drugged by the opium of Brahminical Buddhism.

No doubt Brother Mleccha is right in his historical analysis. But our people are not interested in history. They are interested in self and power, which the BSO has promised in plenty once they join the counter-revolution.

Our American DV family member, Mleccha, must come to India and verify the things.

Tell us how Dalits can destroy Brahminism?

We are silently weeping.

# Jews & "Jews of India" are brothers

## MLECCHA

All human culture originally developed in East Africa. We all descend from seven founding cultures, which started in this order:

- 1) the South African Khoisan Culture, 2) the Central African Congo-Saharan Culture, 3) the Indo-Pacific Culture, 4) the Austric Culture, 5) the Vasco-Dene Culture, 6) the Nostratic Culture, and 7) the Culture of the Natives of the Americas.

**African Cultures:** Three founding cultures started in Africa, and the third of these three went to India. About 150,000 years ago, the first culture went to South Africa and became known as the Bushmen. All cultures actually descend from this culture. The second culture to develop was the Central African Culture, around 100,000 years ago. The third is the Nostratic Culture, which started in Egypt and will be mentioned later.

**Indo-Pacific Culture:** About 70,000 years ago, the Indo-Pacific Culture started in India, though the majority made their home in Australia and New Guinea. They are known as the Black Australian Aboriginals and Papuan Tribes. They show a strong genetic connection to pre-Aryan India. Like the pre-Aryan tribes of India, Australian Aboriginals and Papuans believe in reincarnation. A few Indo-Pacific clans remained in India's Andaman Islands and South India. Those who remained in India mixed in with the later Elamo-Dravidians. The Irulas of Southern India and Andaman are the purest Indo-

---

Pacific descendants in India today, while the Dravidians are their most notable and numerous descendants.

### HARAPPAN CIVILISATION

This ancient Indo-Pacific Culture (the Proto-Dravidian Culture) which welcomed the Elamo-Dravidians in, always welcomed the waves of new migrants with open arms and helpful hands, creating the beautiful culture which still defies the Aryan invaders. This welcoming nature led to the development of the renowned pre-Aryan Harappan Civilization.

***Austrie Culture:*** Closely related to the Indo-Pacific Culture is the Austrie Culture, arising about 40,000 years ago in India. The Black Austrie Culture is found in Eastern India among the **Munda** and **Santal Tribes**. They are noted for their noble leader, **Birsa Munda**, who valiantly fought against both the British and Brahmins. The majority of Austrie People are in Indochina, Indonesia, Taiwan, the Philippines, and all the Pacific Islands as far as Hawaii.

***Vasco-Dene Culture:*** The fifth founding culture started in modern Iraq, known anciently as Sumer, about 30,000 years ago. Some went to Spain and France and are known as the Basque, where they are still seeking independence from the Europeans who invaded their territory. Others went to the Caucasus Mountains, the most notable being the Chechens, likewise invaded by the Europeans of Russia. The rest of the Vasco-Dene settled in Northern India, then from there started the

---

civilizations of Tibet, China, and even the Apache Tribes in North America.

### DRavidian CULTURE

**Nostratic Culture:** About 20,000 years ago, the Nostratic Culture started in Egypt, another dark-skinned culture. This culture broke into four groups, the two oldest probably being the Afro-Asian (Egyptian & Arabic) Culture and the ancient Elamo-Dravidian Culture of Southern India. The Elamo-Dravidians left the region of Egypt about 10,000 years ago, and the language is Nostratic but mixed with African Congo-Saharan languages. A third Nostratic group settled all of Siberia, Mongolia, and Japan.

**American Indian Culture:** Genetic research has shown about 15,000 years ago, a group of related clans in Northern India left to eventually become the Natives of North and South America. Some of the related clans remained behind in India.

So even the Natives of the Americas can claim a relationship to the Natives of India. The Hazaras who live from Northern India to Afghanistan are the major tribe to show a genetic relationship to the Native American Indians.

**Aryan Invaders:** The fourth group of Nostrates was the Indo-European group, often called the Aryans or white-skinned people. They started in the region east of Europe and north of India, then infested the world like rats. The Europeans and *Dwijas* (Brahmins and other upper caste Hindus) are both Aryans and have a history of invading others' territories. The ancient Europeans had an identical

---

caste system to the Hindus, especially the Germans; they had their magical priestly royals called Konigs (like Brahmins), their nobles called Jarls (like Kshatriyas), their free men called Karls (like Vaishyas), and their peasant slaves called Thralls (like Shudras). Anyone outside this group was an Untouchable who could be tortured and killed. The Russian Europeans invaded the Chechens in the Caucasus and have the nerve to call themselves and their European brothers Caucasians. The Aryans likewise invaded the Basque, the original Europeans, and call themselves Europeans.

The Aryan invasion of India's beautiful ancient Harappan Civilization upon India's luscious blue rivers is well known. They came in, polluted the waters with unsanitary river worship, and betrayed the generous nature of India's Original People.

### KONKAN BRAHMINS ARE JEWS

The Konkan Brahmins of Northern India show a strong genetic relationship to the Aryans, who invaded Europe, and the white Jews. Yet even all the Brahmins share some genetic relationship with the Dalits, because the conquering Aryans would marry into the submissive chief families of the tribes they sought to conquer. In other words, Brahmins cannot proudly claim to be totally genetically distinct from the Dalits.

**Additionally, the Brahmins who were intelligent and kind enough to oppose the caste system, like the wise Jnaneshwar, were made to become Untouchables.**

The Brahmins-turned-Untouchable, therefore,

married into the superior Dalit Culture. You can see there is less than 1 *Dwija* for each Bahujan. Who has the real numeric power? Please, look and answer for yourselves. The *Dwijas* claim to be made from the body of a dead *deva*, a worthless jinni who slept with his own sister to be reborn as his own son and be the first jinni on Earth. The jinn are beings of smokeless fire created before man according to the Quran. Jinn, *devas*, devils, they are all the same thing.

### ARYAN JEWS

One group which tries to hide its identity is the White Jew, also known as the Ashkenazi Jew. The Ashkenazi Jews are divided into two groups; the Haredi Jews who live peacefully with the Palestinians and are faithful to the Jewish Scriptures and the Misnagdi Jews. The Misnagdi Jews reject most of the Jewish scriptures and act like their Aryan ancestors, claiming all darker Jews

---

are inferior. Typical of thieving Aryans, they steal the label of Jew from the darker original Jews.

Around 950 AD, King Joseph of the Aryan Khazars had Christian tribes on the west and Muslim tribes on the east. Both were pressing for conversion, so to avoid giving into either side, but to choose a religion similar to both, King Joseph chose the Jewish religion. Many Khazars then converted to Judaism. Only a tiny few of the Judaist Khazars married a couple Jews.

**The descendants of the Khazars called themselves Ashkenazi Jews, even though they have less Jewish blood than most Jewish, and have far more Aryan genes than any other Jewish group. The Ashkenazi Jews are still part Jewish, but not nearly as pure as the darker Sephardi and Mizrahi Jews.**

#### ASHKENAZI INVENTED ZIONISM

The Ashkenazi Jews actually invented Zionism under the despicable Thomas Herzl. They bombed the synagogues of non-Aryan Jews and blamed it on the Muslims to scare Arab Jews into fleeing to Israel for safety. They did all this to try to build a Jewish majority.

Arab Jews, more commonly called Mizrahi Jews, actually make up the majority of Jews in Israel, so the Zionist plot by the Aryan Jews worked. Like typical Aryan invaders, the Ashkenazi Jews invaded Palestine and claimed the land as their own.

Its ironic that these Aryan Jews called the land Israel, since the Palestinians are actually direct descendants of the Prophet Israel and his birthright

---

son Joseph, while the Aryan Jews are descendants of Aryan invaders who married some Jews. (The Ashkenazi Jews who rejected Aryan Zionism and actually live the pre-Aryan Judaism are called Haredi Jews and are so disgusted with Israel, they won't even participate in fake Jewish elections and refuse to join the Israeli military.)

The Haredi Jews are considered by a third of Israeli Jews to be the group they hate most, the rest virtually all hating the Palestinians the most. The most vocal political voice of the Haredi Jews, the Neturei Karta, vocally opposes Zionism, and like the Brahmins who opposed the caste system, were counted among the Untouchables by their own caste. Other Ashkenazi Jews despise Haredi Jews as though they are not even Jewish.

#### GENETIC ORIGIN

Members of the Rothschild clan, the Rockefeller clan, and Brahmin clans all share in high frequency the R1a genetic marker. This is a genetic marker which came from Khazaria, common among white Jews, and is *not* Middle Eastern as are the Arabs. However, the R1a marker is the most common marker among Brahmin DNA and Germans.

**The Brahmins are closer to the Europeans (and white Jews) in DNA than even the Kshatriyas, and the Vaishyas are even less related.**

The further you get away from Brahmin in rank, the more healthy the gene pool.

**The Dalit gene pool is by far the healthiest of the gene pools.**

---

In the real world of healthy genetics, the caste system is upside down. The Gupta clan common to the Kshatriya caste has a very high rate of the J2 marker common among Jews in general. In other words, they are related to the descendants of Ophir, the Arabs, and older non-Ashkenazi Jews, all descendants of Eber and therefore Hebrew. The R1a Ashkenazis and R1a Brahmins subjugated the darker J2 Jews and J2 Kshatriyas.

**In other words, in both cases, the Aryans subjugated the Hebrews to create the caste system, both among Jews and Indians.**

#### ASHKENAZI JEW IS LIKE THE BRAHMIN

*Caste in Israel:* Since the Ashkenazi Jews are part Aryan, they have made a caste system we see in Israel. The wealthy, White Ashkenazi is like the Brahmin.

**Their political terrorist organization, the Likud, is the Ashkenazi version of India's Brahmin RSS.**

The tan Sephardi Jew of Spain is like the Kshatriya. The darker Mizrahi Jew of North Africa and the Middle East is even lower, like the Vaishya. These three groups are like the three upper castes, because they view their ancestral tribes of Israel, the tribes of Judah and Benjamin, to be the superior tribes, even though this has no basis in history. The two southern tribes of Judah and Benjamin broke away from the northern tribes of Israel which identified themselves with the Arabs once Prophet Muhammad brought the northern Israelite tribes into Islam.

The chart below depicts the caste system as created

---

by the Aryan Jews, with Jewish minorities forced into a lower caste category and Arabs in the Israeli-occupied territories forced into an outcaste category.

### UNTOUCHABLE JEWS WITHIN ISRAEL

The Yemenite Jews have been treated like dogs, with their young children stolen from them to be adopted into barren Jewish families, while attempting to blame Muslims. Of course the Jews in America were caught red-handed with kidneys stolen from poor Eastern Europeans and Palestinians. They were caught stealing Palestinians bodies in Israel, and their screams of anti-Semitism are disgusting:

“If my despising the Israeli military for selling Palestinian and Eastern European kidneys makes me an anti-Semite, then I will proudly own my position. The world sees how you treat the Palestinians. You Israelis are despised and in near decades, you will fall an embarrassing fall. You cannot see it, but you have rejected the True God, you have rejected his plans for the land, you have rejected the full Twelve Tribes (most of them now Muslim), and your hypocrisy shall be your undoing. Why doesn't the House of David arise to defend you? Because you are a shame to the Law of Moses which Allah gave you”.

### BEAUTY OF ISLAM

The mixed Jews (half Jews, quarter Jews, etc.) are considered even more inferior than the Palestinians, and absolutely despised and in some cases tortured.

I plead with the Palestinian people to have mercy on the half Jews and teach them the beauties of Islam. Abraham Baballah, a half-Palestinian half-Jew, had his fishing boat torn apart by the Israeli Defense Force while they were pretending to start helping him with his motor. They laughed as they destroyed his fishing business which was allowing

---

his family to barely survive. Abraham Baballah's brother was later tied on another boat and tortured by the Israeli Defense Force (Likud's terrorist militia), beaten into a state of permanent mental incapacity.

### **JEWS ARE ACTUALLY GODLESS**

Likud was actually known as Irgun when Israel began, with Irgun leading its own militia. When the puppet government of godless Jews was in place, the leaders of Irgun pretended to be two organizations; the Likud (the political arm) and the Israeli Defense Force (IDF - the military arm).

### **CASTE SYSTEM IN ISRAEL**

Below is how Irgun re-created the Aryan caste system of their ancestors.

#### **Israeli "Upper" Caste Population**

Ashkenazi (Aryan Jew)	217,000
Sephardi (Spanish Jew)	725,000
Mizrahi (Arab Jew)	3,100,000

#### **Israeli "Lower" Caste Population**

Haredi (Ultra-Orthodox Jew)	700,000
Temani (Yemenite Jew)	360,000
Falasha (Ethiopian Jew)	150,000
Kalimi (Persian Jew)	135,000
Juhuro (Mountain Jew)	120,000
Bukhari (Bukharan Jew)	110,000
Shenwar Teli (Marathi Jew)	60,000
Gerji (Georgian Jew)	13,000
Anjuvannan (Cochin Jew)	8,000
Bene Menashe (Mizo Jew)	3,000

---

Samaritan	1,000
<b>Total</b>	<b>1,660,000</b>

#### Israeli "Outcaste" Population

West Bank Palestinians	2,345,000
Gaza Palestinians	1,483,000
Israel Palestinian	1,318,000
Druze	118,000
Bedouin	170,000
Mixed Jews	Uncounted
<b>Total</b>	<b>6,434,000</b>

#### BLACK JEWS FROM INDIA

The darker Jews from India (Marathi Jews, Cochin Jews, etc) and Black Jews from Ethiopia are the Shudras among Jews in Israel.

The Palestinians are of course the Untouchables, the Dalits of Israel. The Palestinians, like the Ethiopian Jews and Indian Jews, are actually descendants of the ten lost tribes of northern Israel. The Palestinians are descendants of Israel's birthright tribe of Joseph, of Israel's firstborn son, Reuben, and Israel's son Gad who fathered Israel's warrior tribe, the Gadites. This means the Palestinians are actually pre-eminent among the tribes. Even the Ashkenazi Jews, descended from blood-sucking Aryans and Israel's sons, Judah and Benjamin (the last born son of Israel), cannot claim the pre-eminence the Palestinians can as descendants of the Birthright Son Joseph. Some Jews are decent folk and join hands with Palestinians in Israel's left-wing political parties, but they are too small in number due to Aryan Jew vote-blocking of Palestinians.

---

## TWO-STATE SOLUTION NOT ACCEPTABLE

Palestinians in the West Bank and Gaza aren't even allowed to vote in Israel, while Aryan Jew invaders who live in the illegal West Bank settlements can vote. Palestinians, Mizrahi Jews, Indian Jews and Ethiopian Jews are True Israelites, while the Ashkenazi is merely an Aryan *mutt*. To the Ashke-Nazi, I would say this:

"Your two-state solution will just allow Israel to be a Judaeo-fascist-ran state where you Ashke-Nazis can bully those of the Muslim faith. When your terrorist organization, Likud, is in power, like the filthy sister of the Hindu RSS, you still take \$2 billion a years from America. Americans wonder why they were attacked on 9/11. Simple, they supported your terrorist Likud and continue to give Likud \$2 billion a year. You perpetuate the debate of the two-state solution merely to keep the Palestinians in occupied West Bank and Gaza from voting, and to torture them".

So please, continue to oppose a two-state solution, Jewish Israel, but allow a True Democracy, you convoluted hypocrites. Your Jewish Tanakh in Ezekiel 47:22-33 boldly claims:

"that you shall divide [Israel] by lot for an inheritance to you and to the strangers (the Palestinians) that sojourn among you, who shall beget children among you; and they (the Palestinians) shall be to you as *the home-born among the children of Israel; they shall have inheritance with you* among the tribes of Israel. And it shall come to pass, that in what tribe the stranger (Palestinian) sojourns, there shall *you give him his inheritance*, says the Lord GOD."

## JEWISH SCRIPTURE CAN SAVE JEW

The Quran (2:62) asserts that:

"Those who believe (in the Qur'an), and those who follow the Jewish Scriptures, and the Christians and the Sabians – any who believe in Allah and the Last Day, and work righteousness, shall have their reward with their Lord;

---

on them shall be no fear, nor shall they grieve.”

Therefore, a Jew can only be saved by respecting the Jewish Scriptures. The Dalit, so long as they believe in a Supreme Force which created and guides this Universe, and believe this Force will bring things to a proper conclusion, is counted as a Sabian.

### HINDUS WILL PERISH

Hindus, with their many false gods, will fall, but Dalits can join that Supreme Force known as the Mighty Creator, Allah, called *Nirvana* by the Budha and the Jains, the *Sat Naam* of the Sikhs, the Lord God of the Christians and Jews, and the Grand Unification posited by modern physics. The Grand Unification not only is the Source of the Universe, but the underlying Principle of unified quantum physics which guides everything in the Universe.

**The Palestinians of the West Bank, Gaza, and Israel together form a majority. United with the other true Israelites like the Black Ethiopian Jews, Black Indian Jews, and other good-hearted left-wing Jews, they make a majority; the Bahujans of Palestine.**

### ZIONISTS WILL DIE

In the Hebrew language, they are the Bagiris, people of the majority. One-state solution for Palestine. The racist Ashke-Nazi leech of anti-democratic Zionism should die an agonizing death. To you Ashke-Nazis and Brahma-Nazis; Go back to Kazakhstan, the land where you worthless Aryans came from. But the wise Kazakhs now live there and have become Muslims – See how they treat you infidel Aryan Jews. You reject the Law of Moses and Law of

---

Ezekiel and you wonder why the Messiah of the House of David won't come to you.

### RAINBOW CULTURE OF DALITS

***Dalit Ancestry:*** Dalits are descendants from all five founding cultures to migrate out of Africa, plus the African Congo-Saharan Culture; the Indo-Pacific Irulas of Southern India, the Austric Munda and Santals of Eastern India, the Vasco-Dene Mizo, Nagas, Nahali, and Ladakhis of Northern India, the Hazaras (cousins of the American Indians in Northern India), and the Dravidians of Southern India who blended both the Nostratic and Congo-Saharan Cultures of Africa.

The rainbow of all the world's seven founding cultures can be found in the sunlit wellspring of the Dalit Culture.

So the only difference between the Dalit and the Adivasi is this; not all Tribal Adivasis are related to each other, but the Dalit is related to all of India's Adivasis.

The only difference between the Dalit and the *shudra* is this; the Dalits bravely defied the caste system, while the *shudras* submitted to caste slavery under the Aryan invaders.

### IRANIANS ARE DRAVIDIAN

Descending from the brilliant Elamo-Dravidians, the Dravidians provide the largest contribution to Dalit genetic heritage. Though primarily in India, the Elamo-Dravidians also founded the Elamite Culture of what is now Iran. The Aryans conquered the Elamites, but utilizing the brilliant Elamite mind,

---

developed the stunning Persian Culture. The Persian reformer Zarathustra convinced the Persians to change their Aryan ways, and that the Aryan gods called Devas were really devils. Zarathustra further taught the Asuras or Ahuras, which Aryan Hindus still demonize, are actually the angels. Eventually, the Prophet Muhammad's warriors came in and overthrew the Aryan leaders once and for all, returning Persia (Iran) to the Elamo-Dravidian people of Persia.

### DALITS & PAKISTANIS

The Dalits also descend from another Nostratic branch, the Afro-Asian Culture which came from Egypt and populated the entire Arab world. Arabs claim to be descendants of Eber. One of Eber's grandsons, Ophir, brought his clan to India. Ophir's clan fathered the tribes of Pakistan and Western India where the Harappan Civilization arose. The Ophirites and Dravidians mixed to build India's ancient Harappan Civilization, cultivating the rivers to water their farms.

**The Dalits and Pakistanis are actually the descendants of the amazing Harappans.**

***Dalit Genetic Superiority:*** What makes the Dalit so superior genetically is the fact that they are descended from multiple ancient darker tribes. These tribes each evolved their own genetic strengths. India has all of these ancient cultures, so it is genetically wealthy. When genetically diverse groups mix, this makes their offspring far more genetically superior. Dalits' descent from the many native tribes and Harappan Civilization which the

---

Aryans sought to conquer and claim as their own shows that the Brahmins and other Aryan castes are actually deeply envious of the true founders of Civilization in India, the Dalits, the Original Indians who once ruled India's green well-watered lands.

### DALIT CULTURE IS SUPERIOR TO BRAHMIN

When the Aryans sought to conquer India, the ancestors of the Dalits were the most challenging members of all these Tribes because they occupied the best lands, so the Aryans worked hardest to subjugate them. The Dalits were the Tribal Adivasis who refused to accept the low caste Shudra status, and were called "Untouchable" because of their refusal to let the Aryan caste system touch them. As a result, the Ancient Cultures along the rivers who the Aryans envied actually blended into a new, superior culture we now see today, the Dalit Culture, which is far healthier because of its genetic variability.

**As Dalits, you must lead the Shudras back to their roots. Let them know the Brahmins are merely infectious parasites on the Mighty Bahujan Civilization.**

### DALITS AS THREAT TO BRAHMINS

***Dalit Cultural Superiority:*** One reason the Dalits and many Adivasis are such a threat to the Brahmins is their genetic and cultural relationship to the Chinese, Arabs, and Africans. The Arab countries are wealthy and united, while the Palestinian Arabs have an especially close relationship with the Dalits, both descending from Eber and being the "Untouchables" of their nations. The Africans have

---

become united as well, all having finally thrown off their European oppressors in the newly formed African Union, a wealthy diamond-rich trade bloc which now rivals the European Union.

### **DALITS MUST JOIN WITH CHINA**

China has a far more advanced country than Brahmin-run India, and the Brahmins would be terrified to see Dalits become friendly with their Chinese cousins and break the yoke of Brahmin bondage.

**The Editor of *Dalit Voice* is a great friend of China and strong advocate of India-China unity to defeat the Jews and the "Jews of India".**

The Dalai Lama has been screaming "Free Tibet" but he is a Brahmin agent who seeks to hurt China, while the Tibetans and Chinese are actually part of the same Vasco-Dene Culture, which the Dalits and Adivasis belong to as well. The Brahmins' plot to steal Tibet from China, so they can prevent China from working with the Dalits and Adivasis who form India's Bahujans, India's True Majority. The Chinese-dominated ASEAN Trade Bloc will likely admit India to ASEAN to the benefit of Dalits and Adivasis once the foreign Brahmin invaders are exposed and deposed. With so many strong relationships with other powerful cultures arising, the Dalits must recognize their uniquely rich heritage.

### **BRAHMIN GENETIC WEAKNESS**

The upper caste Hindus, especially Brahmins, which have actually been inbreeding over the generations, are literally getting dumber and dumber due to

---

genetic bottlenecking caused by inbreeding. The more each upper caste breeds only within the caste, the worse and more limited the gene pool gets, creating a limited set of genes, a genetic disease known as Founder's Syndrome. The lower the caste, the greater the genetic variety and healthier the gene pool are. Dalit youth rank significantly higher on intelligence tests than Brahmin youth because they are genetically far superior.

**In fact, Dalits' rich diverse genetic heritage could very well make them the most intelligent people on the planet.**

If only they could start to see this. Dalits fail to succeed later in life, because they believe they should work hard, while all wealth is amassed not by hard work, but "smart work".

The Dalits are the descendants of the Harappans, the First Civilization of India, and Mighty Offspring of the Seven Founding Cultures, all at the very Heart of World Civilization. You are the children of Dr. Babasaheb Ambedkar, the true founder of a Free India and the first man to truly understand the Budha's teachings. You and all Bahujans are cousins, with a noble leader among your own flourishing clan found in V.T. Rajshekar. More noble leaders shall rise among you. You are the Hidden Gold at the end of the World's Rainbow of Cultures. No, more than that, like Coal refined by ages of Pressure, you are a Golden Fountain of a Million Diamonds from which a Billion Rainbows Spring Forth.

**Realize who You are and how much the World needs You. Billions in the world need freedom from**

---

oppressive capitalists. You are meant to lead this movement.

Dalits, Rise Up.

***Jews & “Jews of India” are blood brothers & enemies of the world***

*“Mleccha” is the pen-name of the California (USA)-based American White scholar specialising in cultural anthropology with special reference to Dalits and Africans — the world leaders of tomorrow. The 3-part article elaborates his brief thesis already published in DV Sept.16, 2009: “All 5 founding world cultures came from India’s Dalits”.*

*The thesis also answers our critics saying the subject of Jews is of no interest to Dalits.*

*A top Chitpavan Brahmin scientist in America, Dr. Jay Dixit, in his thesis, “Chitpavanism — A Study on Konkanasta Brahmin Culture”, (2003) has categorically stated that the Chitpavan Brahmins are Jews. (Photocopy can be had from DV office, pp.300).*

*The American expert’s thesis should once for all satisfy our members about our discovery that the Jews and the Brahmins are cousins and blood brothers.*

*We request our DV family to translate and publish this piece as a pamphlet (send us a copy) in all regional languages to help boost the depressed morale of our people, victims of the dastardly Brahminical vulture-culture — EDITOR.*

## ABOUT THE AUTHOR

Mleccha Lut bin Yahya is a well-versed scholar from America with both white and native American Indian ancestry and a recent convert to Islam. He also realizes the importance of Indian sages to the world's inner growth, including the Budha, Ravidas, Guru Nanak, Birs Munda, Babasaheb Ambedkar, and V.T. Rajshekar. Through *Dalit Voice*, Mleccha became aware of and studied the hidden alliance between Brahmins and the Zionist Jews, both descendants of an Aryan elite which still exists today. He shows that this Aryan cabal promotes anti-Muslim sentiment and a worldwide caste system. He found even Zionist Israel has its own Dalit class found among the Palestinians and Haredi Jews who oppose the terrorist Zionist regime known as Likud. Mleccha seeks to continue to expose the oppressive tactics of Zionists and Brahmins, seeking to create unity between Muslims, Dalits, and all those people yearning for freedom worldwide.

## African origin of Dalits

The East-African droughts between 135,000 and 75,000 years ago, when the water volume of the lake Malawi was reduced by at least 95%, caused migration out of Africa. Researchers say their study of the tribes of Andaman and Nicobar islands using complete mitochondrial DNA sequences and its comparison with the mitochondrial DNA sequences of world populations has led to the theory of a "southern coastal route" of migration from East Africa through India.
