## Honest enemy is more important than a useless friend

V.T. RAJSHEKAR

From Wikipedia, the free encyclopedia

The **neutrality** of this article is **disputed**. Please see the discussion on the talk page. Please do not remove this message until the dispute is resolved. (*December 2007*).

**V. T. Rajshekar**, in full **Vontibettu Thimmappa Rajshekar**, also known as **V. T. Rajshekar Shetty**, (born 1932) is a controversial Indian journalist who is the founder and editor of the *Dalit Voice*,<sup>[1]</sup> which has been described in a release by Human Rights Watch as "India's most widely circulated Dalit journal".<sup>[2]</sup>

He is himself not a Dalit, he is the son of late P.S. Thimmappa Shetty, who retired as the Collector of South Kanara District. He belongs to the well-known Vontibettu Beedu family belonging to the higher caste Bunt community.<sup>[3]</sup>

He was formerly a journalist on the *Indian Express*,<sup>[2]</sup> where he worked for 25 years. He is the founder of the "*Dalit Voice*" organisation<sup>[4]</sup> a radical<sup>[5]</sup> wing of the broader movement for Dalit interests.<sup>[6]</sup> He is also the author of a great number of pamphlets and books, mainly published by his own organisation.

### Positions & Dalit Voice

Main article: *Dalit Voice*

---

Started in 1981, *Dalit Voice* is a periodical launched by Rajshekar.

Under Rajshekar's leadership the Dalit Voice organisation formulated an Indian variant of afrocentrism similar to that of the Nation of Islam in the USA.<sup>[7]</sup>

### **Controversy & criticism**

*Dalit Voice* has published articles about "Zionist conspiracies" regarding Hitler and the Third Reich.<sup>[10][11]</sup> They have also supported the Iranian regime and Mahmoud Ahmadinejad's denial of the Holocaust.<sup>[12]</sup>

Articles in the *Dalit Voice* have stated that the *Protocols of the Learned Elders of Zion* is a real Jewish conspiracy.<sup>[13]</sup> and that Indian Jews were "join(ing) hands (with Hindus) to crush Muslims, Blacks and India's Dalits".<sup>[14]</sup>

### **Brahmins are "Jews of India"**

Rajshekar has made parallels between the Brahmins of India and the Jews. He stated that that the two groups had the same ethnic origin. He called Brahmins "The Jews of India" stating that "a Jew is one who is a born Jew. There is no conversion to the Jewish religion". Similarly, in his view, "a Brahmin is one who is a born Brahmin"; they are "as bad as the Jews" and that Brahmins and Jews have joined hands "in a big way" in the USA, England and Europe.<sup>[14]</sup>

"The First World War, the Second World War, the establishment of Communism, the rise of Hitler, were also systematically planned and executed by Zionists." Bill Clinton was the "victim of a Zionist conspiracy", for the Zionists, who "control the entire American politics, economy and the media as well", are "angry that Clinton refused to finish the demon of Islam and render all-out support to Israel".<sup>[15]</sup> (citation needed).

A scholarly historical survey of antisemitism by Léon Poliakov

---

referred to Rajshekar's movement in the following terms:

"The phenomenon of anti-Semitism in a vocal though marginal and unrepresentative section of the Dalit movement is attributed somewhat patronizingly to the "mental confusion among India's poor Dalits".<sup>(14)</sup>

### **International reputation**

Given his upper caste origins, many of his detractors have questioned his commitment to the Dalit cause.<sup>(14)</sup>

V.T. Rajshekar Shetty (79) a noted journalist and writer of international repute, author of over 100 books, is the most famous intellectual among the Bunt Community. The eldest son of P.S. Thimmappa Shetty, the first Bunt collector of the South Kanara district, he hails from the famous Vontibettu Beedu family in Udupi.

Travelled all over the world, he led delegations to China, Lanka, England, America, Libya, Pakistan, Nepal, Japan and represented India at many international conferences. He spent 25 years at the *Indian Express* in senior positions, in Bangaore, Bombay, Delhi. He is currently the Editor of the English fortnightly — *Dalit Voice*, the most famous English journal of the Dalits and Backward Castes and Muslims and represents the Voice of over 85% of the Indian population.

### **"Caste — A Nation Within the Nation"**

The book declares the Indian castes as nations within the nation of India. It argues for the strengthening of each caste. Rajshekar further demands that the Dalits be deemed superior to all other castes and build a segregate Dalitist state in India.<sup>(15)</sup> He has expressed similar views in interviews as well.<sup>(16)</sup>

### **Passport confiscation**

In 1986, Rajshekar's passport was confiscated because of "anti-Hinduism writings outside of India". The same year, he

---

was arrested in Bangalore under India's Terrorism and Anti-Disruptive Activities Act (TADA). Rajshekar told Human Rights Watch that this arrest was for an editorial he had written in *Dalit Voice*, that another writer who republished the editorial was also arrested, and that he was eventually released with an apology.<sup>[2]</sup> Rajshekar has also been arrested under the Perversion Act and under the Indian Penal Code for creating disaffection between communities.

He has also been placed on the "dangerous persons list" of the Indian home ministry.<sup>[2]</sup> The only issue with these statements is that India's Terrorism and Anti-Disruptive Activities Act was formulated in 1985 but enforced in 1987 so Rajshekar's arrest or confiscation of Passport story may be false.

He is one of the vocal human rights leader. He is outstanding spokesperson of the Black Untouchables of India (Dalits) and other persecuted nationalities.

His famous book, *Dalits — the Black Untouchables of India*, published by Clarity Press, Atlanta, USA created history and exposed cruel nature of caste system and sufferings of Untouchables. His fight against tyranny and oppression is well known and ruling establishment several times arrested and draconian laws applied to torture him.

### **Most hated personality**

His writings and speeches inspired many Untouchables and gave them intellectual courage to fight against caste-based oppression unleashed by Brahminical Social Order (BSO) of Hindus. His knowledge about Indian social system and religion is immeasurable. He has made deep study of suffering, persecution and humiliation of Untouchables (Dalits/SC/ST people) in the BSO-controlled Indian society.

He is one of the most hated and leave behind out personality of BSO-controlled *Manuwadi* (Manu was a ancient law-giver of Hindus who codified dreaded caste laws in ascending order of reverence and descending degree of contempt) Indian media (both print and electronic).

---

Several attempts have been made to silence him and finally treacherous *manuadi* Indian media disregarded him in spite of his achievements in the field of human rights as acknowledged by UN Human Rights Commission.

His son, Salil Shetty, is the Secretary-General of Amnesty International. He never aspired for personal wealth, name and fame.

He is still persecuted for his fight against injustice and cruel system of caste system. Those who believe in justice, truth and human dignity will conduct deep study of "Writings and Speeches of V T Rajshekar", a living marvel. *Dalit Voice* is a controversial anti-Semitic political magazine published in Bangalore, India, that claims to express the views of the Dalit movement. The current full title is "*Dalit Voice: The Voice of the Persecuted Nationalities Denied Human Rights*", and it appears fortnightly in both internet and print formats. It was founded in 1981 <sup>(citation needed)</sup> by V.T. Rajshekar, a former journalist for the *Indian Express*, who is still its editor.

### Liberation from Brahminism

#### Positions:

The magazine is described by the Columbia University library as

"characterized by strong anti-Brahminist, anti-caste and anti-racist stance, advocacy of liberation from Brahminism, and polemical tone. Self-proclaimed as "the sole spokesman for the entire deprived, dehumanised lot of India...", — Dalits, Backward Castes, Christians, Muslims, Sikhs, women — "all victims of the Aryan Brahminical racism."<sup>[1]</sup>

The magazine has published articles that attack Hinduism, Jews, Zionism and American neoconservatism.<sup>[2][3][4][5][6][7][8]</sup>

Its anti-Brahmin rhetoric, frequently follows to further anti-Semitism with claims of Brahmins in India being descended from Jews and deriving their "fanaticism" and "arrogance" from "Jewish Zionist Racism".<sup>[9][10]</sup>

*Dalit Voice* has also made various anti-Semitic accusations and touted "Jewish conspiracy theories"<sup>[11][12]</sup>. The editor V.T.

---

Rajasekhar has treated the hoax text *Protocols of the Learned Elders of Zion* as legitimate<sup>[13]</sup> and has accused Indian Jews of a conspiracy to "join hands (with Hindus) to crush Muslims, Blacks and India's Dalits."<sup>[14]</sup>

### **9/11 a total Zionist hoax**

*Dalit Voice*, in addition to publishing articles about "Zionist conspiracies" regarding Hitler and the Third Reich<sup>[15][16]</sup>, have also supported the Iranian regime and Mahmoud Ahmadinejad's denial of the holocaust<sup>[17]</sup>.

It has also claimed that the September 11, 2001 attacks in USA were a "total falsehood manufactured by the zionists controlling the Bush Administration".<sup>[18]</sup>

### **Reception**

Yoginder Sikand, who writes on Muslim-Hindu relations, has criticized the publication, referring to it as "radical" and asserting that its rhetoric does not help alleviate the Dalit situation<sup>[19]</sup>:

"Far from alleviating the prevailing situation the militant rhetoric of the writers of *Dalit Voice* offers nothing substantial and instead create even more disunity. One writer calls the (Islamic) Ulema as the 'progeny of iblis' and appeals to the Muslims to stop reading their literature at once<sup>[20]</sup>."

### **Afro-Dalit literature**

A scholar, Vijay Prashad, has written of the links between a group of authors including V.T. Rajshekar, Ivan van Sertima and Runoko Rashidi and writers in the Afrocentric movement.

He called this a "submerged network of Afro-Dalit literature". He mentioned Rajshekar's editorship of *Dalit Voice*, saying that its pages had "welcomed African American scholars for at least a decade". He criticized the views of this group of writers as "epidermal determinism" (seeking solidarity on

---

the basis of skin colour alone rather than on the experience of oppression).<sup>[20]</sup>

The writer Koenraad Elst has criticised the publication for having anti-Hindu views.<sup>[21]</sup>, counter-claiming that claims of racism in Hinduism are a “crank ideology”.

Leon Poliakov writes that the antisemitism exhibited by *Dalit Voice* is a fairly recent and unrepresentative phenomenon among India’s Dalits<sup>[22]</sup>

*Dalit Voice* has also been criticized for “buying into anti-Jewish conspiracy theories” by the far-left “Maoist International Movement”. While praising the *Dalit Voice* for having “some good information on caste and other problems in India”, they suggest that<sup>[23]</sup>:

“We hope to see Dalit Voice drop its conspiracy theories about Jews that underestimate the oppressiveness of oppressor nation people in the United States and Western Europe and take up Marxism-Leninism-Maoism<sup>[23]</sup>.”

## How much Jews & "Jews of India" are worried about DV & its Editor

*Wikipedia, the creation of the American Jews, is a sort of internet version of the famous Encyclopedia. Most of the net browsers being the rich and the leisurely upper castes (Hindus), this hate-mongering "Jews of India" are having close connections with their blood brother Jews.*

*These rulers (15%) of India have the advantage of being rich, English-educated and also holding high positions in USA and the West.*

### U.S.A. DYING

*That is how they dominate, if not dictate, things not only in Wikipedia but the entire Western media.*

*Their sole mission in life is to suppress Truth and spread falsehood. But they will not succeed. History has proved it.*

*Fortunately the USA, the new fatherland of the "Jews of India", is dying — being killed by their own Jewish blood brothers.*

---

*The 2% Jews controlling the US are furious with America's White Christian leaders for having failed to secure them their "homeland", the racist and fascist Israel, which rightly belongs to Arabs.*

### **INDIA DRAGGED TO WORLD WAR-III**

*The Jews are forcing the US to bomb Iran so that the Zionist Israel could live in peace.*

*But the Jews are failing everywhere. Their latest bid to attack Iran may even trigger a World War-III, dragging the emerging super power China, supported by Russia.*

*The foolish "Jews of India" (2%) in their love for their blood brother Jews may drag India into the World War-III. Very dangerous days are ahead. DV has said all this — many times.*

### **FREE PUBLICITY**

*What the Wikipedia's above attack reveals is how much the Enemy is worried about DV and its Editor.*

*It also reveals the enemy opinion of the DV and its Editor.*

*And also how the enemy attacks made DV and the Editor so famous all over the world — without spending any money — and thereby causing worry to the Enemy — EDITOR. ■*

## **Wikipedia read by 2 crores in the world**

The world's biggest Internet encyclopedia is read by 2 crores (20 millions) out of the 18 crores (180 million) who browse the Wikipedia in the whole world.

This figure is announced by the Wikipedia itself.

*Dalit Voice* thanks the enemy for giving us this unique honour — plus free publicity.

## Desperate Brahminists launch personal attack on Editor

KHALID AZAM

*Very interesting discussions on V.T. Rajshekar (Dalit Voice) is going on in the internet:-*

Mohan Iyer (Sept.27, 2010) says: V.T. Rajshekar Shetty is an OBC Bunt. He has removed the suffix Shetty to camouflage his true identity.

Shetty is in the habit of spewing venom against Brahmins and Hinduism. If reports are to be believed, he is backed by Christians of Dayal type. Formerly, his articles used to appear in the *Indian Express*, the *Hindu* etc. Once, I sent to him three cuttings from the *Express* — of different dates.

**Attack on Brahmin:** One cutting said that Vokkaligas made Dalits eat their own excreta. Another cutting said that the Lingayats made Dalits eat their own excreta. In the third, a Muslim policeman of Tamil Nadu, not only physically abused a Dalit but made him run naked. I asked Shetty whether he can write against these communities. He kept mum.

**Christians hate Brahmins:** Missionaries feel that if Brahmins are eliminated, Hinduism will disappear. Hence, the continuous attack on Brahmins by the Christians and Christian-backed Dalit and OBC organizations. Marxists also feel that if Brahminism is destroyed, marxism can take over Hinduism. Hence their antipathy against Brahmins. The *mullahs* feel that if Brahminism and Brahmins are destroyed, Hinduism will disappear and Islam can take over.

**Kilvenmani Dalit carnage:** But none of these fellows will attack OBCs because OBCs may retaliate physically. In TN, the DK and DMK have never attacked a non-Brahmin sect for fear of physical violence though 44 Dalits were burnt alive in Kilvenmani by OBC landlords. Not a soul stirred in TN.

---

Recently OBC Pillays built a wall between their and a Dalit colonies so that the Dalits cannot come to their area. Not a single soul stirred in TN.

I still remember a DK activist saying that Kashmiri Muslims have done the good thing by massacring and ethnic cleansing the Pandits who are Brahmins. DK is supported by both Muslims and Christians and till date, DK has not uttered a single word against Christians and Muslims.

**Dr. Ambedkar was pro-British:** The beauty is both the oppressor (OBCs, MBCs) are getting reservation benefits. The reservation can be continued only if they can show an enemy. Brahmins are the enemy created by the British (Christians). Dr. Ambedkar used the word Brahminism and Dr. Ambedkar was pro-British. EVR used the word Brahminism. He was also pro-British and his party (now DK) wanted continuation of British rule.

If Shetty writes against Vokkaligas or Lingayats, he will be in trouble. Funny logic of Shetty — a Dalit ate his own excreta because an OBC forced him to do so. Both blame Brahmins and Brahminism. And Shetty, writes virulent anti-Brahmin articles without touching the actual atrocities on Dalits.

**Brahmins were slaves:** Shetty himself belongs to an oppressor class. There are nearly 7,000 castes and subcastes. How Brahmins could have created such a complex caste system and maintained it. A Brahmin says, you are Shetty, you are Mudaliar, you are Gounder, you are Nari Kuruva, you are Reddy, you are Naidu, you are Baduga etc. And every one accept the Brahmin command. How ridiculous. Only rules can enforce things. Brahmins were ruled and they were subservient to the kings. And because they were attending to rituals and religious activities, it does not mean they have created the caste system. Krishna is a Yadav (OBC in the present parlance), Rama a Kshatriya (OBC in the present parlance) and Shiva is a Vettiyan (Dalit in the present

---

parlance). I asked Shetty who cleans his toilet, he never replied. I asked whether he has cleaned anybody's toilet. Again no reply. Brahmin bashing helps in the retention of reservation benefits. Why he did not demonstrate when Vokkaligas forced them to eat excreta. Nobody can answer. Shetty is mum. One thing is certain — Christians are using fellow Hindus to destroy Hinduism with their money, political and media power. (Sept.27, 2010).

**Christians fund Kancha Ilaiah: Y. Malaiya, (Sept.28, 2010):** Yes, they are not Brahmin. Still they are high caste. V.T. Rajshekar publishes the unabashedly anti-Brahmin/anti-Hindu (in fact anti-India) *Dalit Voice*. He is widely presumed to be a Dalit but he is not. I am not sure who funds his publication and activities. There is another presumed Dalit, Kancha Ilaiah (a cattle-herder caste) who appears to have been well rewarded by missionary groups for his anti-Hindu writings and ramblings, including overseas stays.

**3% Brahmins ruling India: Y. Malaiya:** For those who may not know V.T. Rajshekar is a high caste Hindu, a Bunt, same community as Aishwarya Rai and Shilpa Shetty. There are some Jain Bunts too. V.T. Rajshekar is not a Dalit. India is a free country. People have a right to be critical of any group or faith. But it appears to me that he is helping plant hate, not just against Brahmin but against India as well. I have wondered about what motivates him and who funds his work. But I note that his hosts in Pakistan include Jamaat-e-Islami. ■

Here is a report from a Pakistani newspaper:

### **Muslims being kept backward in India**

BY OUR STAFF REPORTER

Lahore, May 23, 2010: Indian writer and editor of the *Dalit Voice* V. T. Rajshekar said here on Sunday the high-class Hindus were responsible for the India-Pakistan differences. "I am in Pakistan

to inform you the 3% Brahmins in India have taken the Dalits and the minorities, including Muslims and Sikhs, hostages, and are responsible for the misery of the entire sub-continent population," he said while delivering a lecture at *Mansoor* on the problems being faced by Indian Dalits. Mr Shekar, who also expressed his views on Islam, was accompanied by Dr. Raju Thomas from Kerala.

Jamaat secretary-general Liaquat Baloch welcomed the Indian writer. Mr Shekar said though Indian Muslims were 20% of the total Indian population, they were being deliberately kept backward there. He said he was pleased to see that Pakistan was economically better off than India although there was much propaganda about the country being on the verge of collapse. He said he had talked to the minorities in Pakistan, including the Hindus, who were happy for being given due respect in this country.

## Editor's life is an open book

*The above email discussion in the internet on us is going on not only in India but in all countries where the Brahmins hold influential positions. As the Editor of **Dalit Voice** our job is to highlight the sufferings of the oppressed. And all of them are oppressed only by the Brahminists. Brahminism is India's principal contradiction. Every philosopher, revolutionary and leader fought against the Brahminists right from the Budha — only because they constitute the principal enemy. DV continuing this crusade. The Brahminic oppressors deeply hurt by the truth-speaking DV are trying to divert the attention by attacking the Editor whose life is an open book — EDITOR.*
